WORK EXPERIENCE

Graphic Designer

Al Fajer Information and Services LLC, Dubai, UAE | Jan 2023 – Present

- Designed engaging presentations and slide decks for internal teams and external client pitches.
- Executed all visual design stages from original concept to final hand-off to engineering or print production.
- Coordinated with external vendors, including printers and photographers, to ensure high-quality production and final output.
- Expertly utilized Adobe Creative Suite (Photoshop, Illustrator, InDesign, XD), Canva and Figma to create pixel-perfect designs and interactive prototypes.
- Prepared and preflighted all design files for print and digital production, ensuring correct color modes, resolutions, and bleed settings.
- Designed responsive email templates and web banners.

Graphic Designer & Co-Founder

SMM Graphics - Kalmunai | Jan 2021 – Present

- Conceptualized and created compelling visuals, including logos, posters, billboards, packaging, and marketing materials, to effectively communicate information and capture the attention of target audiences.
- Managed the end-to-end design process, from initial concept to final production, ensuring high-quality output for digital and print media.
- Contributed to overall creative strategy for client marketing campaigns, incorporating graphic design principles to maximize visual impact.

Network & IT Technician

Ceylon Electricity Board - Sainthamaruthu | Jul 2021 – Jan 2022

- Managed and configured LAN infrastructure and various operating system software, ensuring high network availability and security.
- Provided comprehensive network troubleshooting, system repairs, and proactive identification and resolution of network roadblocks and hardware/software issues.
- Performed network maintenance, including repairing peripheral devices, and continuously evaluated network performance for optimal operation.

Graphic Designer

Reliance Printing & Advertising - Sainthamaruthu | 2019 – 2020

- Developed design concepts for promotional and advertising materials by studying client briefs, relevant information, and reference materials.
- Utilized advanced typography and art arrangement concepts to create visually appealing and effective print media.
- Managed multiple design projects simultaneously, submitting detailed layouts and design samples for client approval.
